Requirements.

All BWK members wishing to pursue Yudan Shinsa should have attended the minimum BWK Standardisation/Advancement Courses (please refer to Yūdan Shinsa Application Form) **PRIOR** to application. *Arrangements can be made for clubs geographically disadvantaged.*

As with all gradings, all applicants must arrange for their own Uke-Mi and ensure they have all the correct requirements (clean white gi, bogu, etc.) with them for participation.

Also, make sure to bring your up-to-date BWK Licence with you on the grading day. If your licence is out-of-date your grading will be cancelled.

Failure/Cancellation of Dan Gradings.

Upon a Dan grade being failed or cancelled (*irrespective of written, practical or both*) the student must produce the minimum required training record, **FROM ORIGINAL FAILURE/CANCELLED GRADE DATE**, before the retake can be honoured by the Yudan Assessment Panel (retake date can be taken after 6 months from failure date), as long as there are sufficient **OFFICIAL DOJO TRAINING SESSIONS** accumulated 'prior to' application date. However, students may only be required to retake the element/s (written or practical) they have failed on; as long as the retake is implemented 6-months from original failure date (after this date, or if the grade is failed again) both aspects would have to be undertaken).

All applicants **MUST** apply/reapply using the official **Yudan Shinsa Application Form**, also available from your instructor, British Wadokai Administration Department, or British Wadokai Website/Forum. Allowances can be made for students who require assistance during the written examination, for example; those with certain learning difficulties, dyslexia, etc. However, the BWK General Secretary **MUST** be notified **at least two months prior** to the examination date to make any necessary preparations, etc. In certain cases students may be read the questions as an aural/verbal test condition.

NB: There will be NO refunds as a result of applicant cancellation, due to insufficiently prepared to attempt the grade. An applicant should be 100% prepared and ready to grade, at the time of application, which is at least 2-months prior to the grading date.
